

# Science Bingo

Listen out for the following words being said by our presenters during the day, and cross them off. Can you cross off every word? Shout “Science Bingo” when you do!

Microbe	Data	Astronaut	Energy	Newton
Space	Food	Wave	Spectrum	Planet
Pendulum	Rocket	Fossil	Raspberry Pi	Laboratory
Computer	Microscope	Vitamin	Igneous Rock	Carbon Dioxide
Air pressure	Electricity	Graphite	Force	Time

# Science Subjects

Today you will hear about lots of different topics linked to different sciences. Once you have heard a talk about a particular science colour it in below. See if you can colour them all in by the end of the day!
